

DELTA TAU DELTA

Letters of Distinction. Lives of Excellence.

Dear Chi Brother,

Happy New Year! I'm excited to share that the Byron J. Horn Leadership & Alumni Program was announced at a Rush Event on Saturday, January 28, 2012.

Bill Taylor ('85 and P'13), Tim Stautberg ('85), and Jeff Moritz ('86) visited Kenyon to speak with the Actives and a small number of potential Delts about Collaborative Leadership, Continuity and the benefits of being a Chi Delt. They also announced the Leadership Program honoring Byron.

The Byron J. Horn Mentorship & Alumni Program has four goals:

- 1) Honor, preserve and carry forward the memory of Byron Horn as an exemplary leader, scholar, athlete, attorney, husband, father, and friend.
- 2) Squarely address the career development needs of Kenyon students.
- 3) Enable Delt Alumni to maintain a dynamic and meaningful connection to Chi.
- 4) Demonstrate Chi Delt leadership and "value added" to the Kenyon Community.

Cully Stimson ('86), Alex Hetherington ('89), and I have been working on the concept for the past six months. Cully and Alex proposed that the Delts honor Byron through something that affected the lives of Chi Delts far beyond the Lodge improvements dedicated to Byron in May 2011.

Twenty Chi Alums, ranging from a retired business executive ('50) to the headmaster of a private Episcopal school ('85) have committed to being Mentors. An overview is attached.

Finally, we're hosting a reception at the Lodge on April 22, 2012 for Actives, Mentors, and other Alums to learn more about the program and visit in person. Alex Hetherington has challenged all Actives and Alums to join him in running the Earth Day Half Marathon earlier in the day!

Thanks in advance for your support and constructive guidance.

Yours in Chi,

Michael Marting '14
