# THE CHI DELT

Chi Chapter • Delta Tau Delta Fraternity • Kenyon College • April 2006

[www.chidelts.com](http://www.chidelts.com)

## **Robert "Doc" Burns '51, Advisor Emeritus, Provides Stirring Encouragement for Alumni to Donate to Capital Campaign, Support New Pledges and Whole Fraternity**

### **Call for 100% Participation in Campaign**

At this writing, our capital campaign is still in the quiet phase. So, I really want each of you gentlemen to get behind this campaign, and let's have close to 100% participation.

If you spread your donations over five years, I will be 82 years old, that is, if I am still around. I feel like Martin Luther King, Jr., "I may not make it with you," but I'll surely feel a lot better (and live longer) if I know you guys came through for us.

Just look at the picture of the pledges. Let's support these guys! Do your duty, and "Maintain your self respect!" I think about you often, and it is fun to read your contributions to our website: Keep them coming. You should

also thank **Jeff Moritz '86**, who has worked very hard for us. We don't pay him anything, so a kind word is appreciated. In the mean time, I wish you every success and, if you've had bad luck, I wish you a prayer that things will soon go your way.

2006 Pledge Class (Feb 2006)

## **Spring 2006 Chapter Updates on Increased Pledge Class, and Athletic and Academic Achievements Show Chi Deltas Growing in Positive Direction**

### **Athletic Stars Shine When Brothers Win as Individuals and as Teams**

**By: Jay Ulwick '08, Corresponding Secretary**

The Deltas of Chi Chapter began 2006 by recruiting eleven pledges, all of whom will become exceptional Deltas. Already the pledges are devoting their time and talents to the betterment of the fraternity and Kenyon College.

The swimmers of Chi Chapter have made an exceptional contribution. Two first-place wins were achieved by **Joey Gosselar** and pledge **Eric Dunn**, who smoked the competition by more than 10 seconds and recorded the third fastest time in Division III for the mile.

Pledge **Rob Alef**, part of the Lords Men's Tennis team, is in the starting lineup in the Lord's bid for the NCAA tournament this year. And, **James "Jay" Ulwick** is a face-off man for the Lords Men's Lacrosse team, which is now 6-1 and looking to win the conference this year

for an automatic qualifying bid to the NCAA tournament.

Academically, the Deltas' grade point average (GPA) rose 4% this year, continuing an upward trend in academic excellence. The seniors are

**"We are proud to maintain our  
shelter as it has maintained us."**

entering the final stages of their comprehensive exams, and we wish each of them luck in their pursuit of excellence.

Finally, Chi Chapter is looking forward to helping complete the capital campaign to renovate the Lodge. We are proud to maintain our shelter as it has maintained us.

# 125th Anniversary Brings More than 100 Chi Alumni Together for Historic and Memorable Celebration

## One-Hundred Chi Delts and Their Spouses Attend Historic Function

By: Jeff Moritz '86

On January 28, 2006 the men of Chi Chapter held a reception and banquet celebrating the 125<sup>th</sup> anniversary of its founding. Chi Chapter, one of the Fraternity's oldest chapters, was founded on January 25, 1881 and has operated in good standing and without interruption since then. There are over 1,300 Chi alumni, with approximately 725 still living. Over 100 Chi Delts and their spouses, representing the classes of 1960 through 2008, attended the event in Gambier, Ohio.

**Cully Stimson '86** welcomed the group and served as "Master of Ceremonies"! Cully challenged the actives and prospective members to show their enthusiasm in all they do and to remember their Fraternity and what it stands for.

**Jeff Moritz '86** spoke about the importance of this anniversary not only for the chapter but also for Kenyon College as a whole: You only had to look around at the numerous campus buildings named for Chi brothers (including McBride, Weaver, and Seitz) to understand the connection between the two institutions.

**Paul Gunther '06**, former chapter president, led the group in a blessing prior to dinner. A greeting from **Bill Bennett '68**, current Chair of the Kenyon College Board of Trustees, spoke fondly of the bonds of brotherhood "that last for years, even decades," and "what it meant to have this special community with the community of Kenyon."

**Bob "Doc" Burns '51**, Chapter Advisor Emeritus, read a Proclamation from the Arch Chapter and **Carl Brantley**, International Fraternity President (see article on page 2 for reprint). Doc Burns also presented Jeff Moritz with the original petition to the faculty of Kenyon College to establish Chi Chapter, signed by each of the founding members.

**Drew McFarland '87**, Chapter Advisor, spoke about the historical significance of the 125<sup>th</sup> anniversary and, in particular, the notable achievement of operating continuously given world wars, depressions, and the social and demographic changes that have occurred at Kenyon over 125 years. **Tim Greenwood '07**, current Chapter President, spoke about his experience in Chi Chapter and what it means to be a member of Delta Tau Delta.

At the lodge later that evening **Pat Gallagher '86** and **Peter Stautberg '86** spoke to the group about their fondness for the chapter and the lifelong friendships they developed with their Chi brothers.
