## CHI EDUCATIONAL FOUNDATION

### Class of 1950 Honors Robert McClain '50 Through Chi Educational Foundation

#### Members Raise Money to Help Two Chi Deltas Pay Fraternity Obligations

Members of the class of 1950 donated over \$1,000 to the Chi Educational Foundation. The money will fund a scholarship named in honor of their classmate, **Bob "Mac" McClain '50**. The effort was part of the *Securing Our Tradition* capital campaign and was led by **Ran "Buce" Bucey '50** and **John "Mulf" Mulford '50**. Other donors included "five-oughters:" **David Bell '50, Thomas Carruth '50, George Holthaus '50, Theodore Jennings '50, William Schneebeck '50, Ralph String '50, Charles Thomas '50** and **John Young '50**.

Ran and John initiated the effort as a way to bring their classmates together and to raise the spirits of Mac, who is experiencing health problems. "It occurred to Mulf and me that we 'five-oughters' might energize Mac a little by establishing a small scholarship in his name," reports Ran. It is expected that the money will

help two Chi Deltas meet their financial obligations to the fraternity for three years. Without this financial support, these Chi Deltas would otherwise be unable to afford their chapter dues.

**"It occurred to Mulf and me that we 'five-oughters' might energize Mac a little by establishing a small scholarship in his name," reports Ran.**

The Chi Educational Foundation was formed in 2006 and all donations to it are tax-deductible. If you and your classmates would like to set up a memorial fund to honor a brother, please contact Campaign Chairman **Bob Burns '51** by phone **740-427-3761** or email **rburns1600@aol.com**. ■

# ALUMNI SPOTLIGHT

## Interview with Dan Patterson '74

By Tim Greenwood '07

### What year did you graduate?

1974

### Why did you join?

I joined because I thought that the guys in the Fraternity were solid people. They weren't only focused on good athletics, but were also focused on good academics. They were all around successful guys.

### Tell us about your favorite memory of the fraternity.

A group of us went on an "academic mission" in Pennsylvania that was paid for by the school. And one time we went hiking in Western Maryland. Some of my favorite memories are of being president and being able to induct the young guys with the pledge/initiation ceremony.

**"In fact, several of my top friends were in the fraternity. The relationships that go back that far just get richer and richer, even if you don't see them as often."**

My Delt experience was positive due to the quality of the guys – we were so well-rounded and did not focus on any one type of person. I really think that's a good thing for the fraternity and our future classes.

### What kind of influence has the fraternity had on your life since graduation?

I have maintained my friendships from the fraternity and my lifelong best friend was in the fraternity with me. In fact, several of my top friends were in the fraternity. The relationships that go back that far just get richer and richer, even if you don't see them as often. It adds to

your life, because you can just call these people up and share stories. I would say that the long-term relationships that I formed had the greatest influence on me since graduation.

### With whom do you still stay in contact?

#### Who would you most like to find?

**Rich James '74, Jeff Walker '74, Tom Haislet '74 and Larry Cowhers.** I would also like to see **Pete Smagorinsky '74**, he was my roommate. Shoot! I would like to see all of them. We just had some great times.

### Tell us about your family. Have you married? Do you have children?

I am married and have two kids. I got married in 1982 and this year will be our 25 year anniversary. Our children are 16 and 9.

### What other activities or organizations were you involved with during your college days?

I was a swimmer and in the fraternity. I am sure that I was part of more, but they just weren't as important to me as the fraternity.

### What is your nickname? How did you get it?

"Dan E." (It is pronounced Danny.) They called me this because my middle name starts with an E.

### Did you live in the house? If so, who were your roommates? Tell us about a memorable time with them.

I lived my first year in the freshman dorm, the next two years in Middle Leonard and the last year at the lodge.

### Did you hold any positions while you were an active?

I was president my senior year.

### What do you do for a living?

I do private equity investments. I founded a company in 1995.

### What hobbies do you enjoy?

I enjoy keeping in shape, it's a necessity when you have kids. You always have to be on your toes.

### What are your goals for the next few years?

I am trying to work less.

### What are your thoughts about the chapter today?

I haven't been that involved in it to have any kind of thoughts, but I did make a donation to the Delt Lodge Fund. I feel that maintaining the lodge is extremely important. I know that Greek life seems to go in circles at Kenyon, where it is in-favor and then out-of-favor. I think it is important to maintain a well established home for our future brothers and Greeks alike.

### What advice can you offer the current Actives?

College is a time to create memories. Enjoy it! Be able to enjoy the experience and still fulfill your academic obligations.

### What advice do you have for the current seniors?

I think that the world today (unless you really know what you want to do) requires a graduate degree. Get a job and find out what you want to do, but be ready and willing to go back to graduate school. Don't let yourself get caught up. There are too many well educated people to compete with. So go to graduate school.■

After 25 years in Alaska, we moved to New Orleans in 2006.

### '90s

#### David Bouman '95

(US Department of State, Unit 4323, APO, AA, DC 34034; dbouman@yahoo.com)

**Adam Kline '94** and **Dan Roush '95** recently visited me in Buenos Aires. I am there working for the US State Department. We ate more steak and wine than 50 rushees at the annual steak dinner. It was great! I am still searching for this Evita woman everyone talks about.

### '00s

#### Greg Stephenson '00

(1908 W. Belle Plaine Avenue, Chicago, IL 60613; ggstephenson@sbcglobal.net) It's been a fun year. I finally finished graduate

school in May 2006 with my masters in Architecture and am now practicing with a small design-build firm in Chicago that does mostly residential work. The biggest news of the year is the birth of my daughter, Anna Noelle Stephenson. She was born on December 22, 2006. She is doing very well and keeping my wife, Gaby, very busy. I am also playing soccer on a regular basis and am finding that I don't have time for much else.■

## UNDERGRADUATE REPORT

### Chi Chapter Adds 14 New Pledges and Participates in Philanthropy Activities

By James Reid

The Chi Chapter has been busy this semester with academics, rush, philanthropy and other events. The new officers elected for this semester are as follows:

- President: James Reid, [wjamesreid@gmail.com](mailto:wjamesreid@gmail.com)
- Vice President: Brian Sloan, [sloanb@kenyon.edu](mailto:sloanb@kenyon.edu)
- Treasurer: Karl Stark, [starkk@kenyon.edu](mailto:starkk@kenyon.edu)
- Recording Secretary: Alex Stoyel, [stoyela@kenyon.edu](mailto:stoyela@kenyon.edu)
- Corresponding Secretary: Jonathan Welsh, [welshj@kenyon.edu](mailto:welshj@kenyon.edu)

Currently, the cumulative GPA is a solid 3.09. Spring rush was a success as the chapter extended 20 bids and 14 were accepted. We believe that these 14 young men will add great quality to our chapter. The actives enjoyed meeting with alumni recently at the annual Steak Dinner in January. If you missed the event, we hope that you will plan on attending next year. The chapter has been very involved in philanthropy this semester. We are sponsoring a relay for life team and will be participating in a Greek Dance-A-Thon for charity. The proceeds of the Dance-A-Thon will go to Stewart's Caring Place, which provides support and aid to family, friends, survivors and those battling cancer. ■

## CHI DELT ERIC DUNN

### Chi Delt Eric Dunn Named Swimmer of the Meet at NCAA Championships *Several Undergraduate Brothers Contribute to the Team's Success*

Chi Delt **Eric Dunn '09** was named the Swimmer of the Meet recently, as the Lords won their 28th consecutive team title in the 33rd annual NCAA Division III Men's Swimming and Diving Championships at the University of Houston. Congratulations to Brother Eric for this great achievement!

Dunn completed his trophy cache by successfully defending his 2006 title in the 1650-yard freestyle in 15:24.81. The senior had previously won the 500-yard freestyle and the 400-yard individual medley.

Chi Delt **Joseph Gosselar '07** won two

events in this year's championship meet, successfully defending his 200-yard breaststroke title in 1:59.38 to lead the first, second and third place finishes for the Lords in that event. The senior had also won the 100-yard breaststroke.

Kenyon's title defense was by 219 points over second-place Denison University. The Lords scored 570 points to 351 for Denison, 318 for Emory University and 305 for Williams College. The Kenyon win earned for Lords' coach Jim Steen his 14th coach of the year award.

Other Chi Delts on the team are **Alex Stoyel '08**, **Blair Withington '10** and **Kegan Borland '10**. The next time you are at Kenyon check to see if there is a home men's swimming meet so you can watch these talented undergraduates compete.■

## CHAPTER ETERNAL

Longtime Chi Chapter Alumni Association President **Chuck Pariano '76** died suddenly on January 3, 2007 in Cleveland.

**“Chuck was the most loyal Chi Delt I have ever met. Leading the alumni association is a thank-less job and he did it for so many years. His contribution of his time, talent and money will never be forgotten.”**

Chuck dedicated countless hours of service to the Alumni Association and the Chapter. His friendship, service and loyalty to our chapter will be greatly missed.

**Jeff Moritz '86** commented of Pariano,
