## PRESIDENT'S REPORT

### Memories Treasured as Alumni Reinforce Why We Pledged Delt as Undergraduates

*Chi Chapter Continues to be One of the Strongest and Most Respected Fraternities at Kenyon*

*By Jeff Moritz '86*

Greetings from your alumni association! Over the past year, two events have stirred up some Delt enthusiasm for me personally. At the Open House this past May, I renewed some friendships with brothers from the class of 1983. This group of Delts were seniors when I was a freshman. They have always held a very important place in my Delt life. These were the guys I looked up to, respected and, at times, feared. Brothers **Emens, Shedd, Topor, Cannon, Bond, Fonkalsrud** and **Kline** were highly respected within the chapter and on campus. They were the reasons I pledged Delt and why I am proud to be a part of the fraternity. Going to college is a big, life-changing period for any freshman. I look back at that year very fondly as this group made that transition much easier and I am glad to call them brothers. It was great to reconnect with them at the Lodge.

*"Chi Chapter continues to be one of the strongest and most respected fraternities at Kenyon."*

Recently, my family and I moved. We did not move far, only four miles to the next town west. However, it forced me to go through a lot of accumulated boxes, files and personal effects. As those of you who have had to move a family know, it becomes an almost daunting task to sort through what you want to take to the new home and what ends up being thrown away. **Bill Ranney '52, Bob Eggert '50** and **Chuck Pariano '76** and others have provided me with many letters, pictures, blueprints, and *Chi Delts* during the 13 years I have been CCAA president. All of it very fascinating if you are a history buff (a number of the old pictures are uploaded to the website: [www.chidelts.com](http://www.chidelts.com)). Some documents

I donated to the Kenyon College archives but much I have kept in safe keeping. The move forced me to go through these files and make sure they were secure for the short trip. As with seeing alums from the class of 1983, viewing these papers brought back great memories. Memories which reinforced why I pledged Delt and why I continue to devote my time and treasure to make sure other young men at Kenyon College can have that same opportunity.

A complete breakdown of the alumni association's income and expenses for the year ended September 30, 2008 is shown in the sidebar to the left. Thank you to all who donated to the annual fund last year. While the undergraduates' dues and room rents cover most of the operating costs of our Lodge, the annual fund allows us to keep Chi Chapter alums informed about the chapter through the Chi Delt newsletters and website.

Chi Chapter continues to be one of the strongest and most respected fraternities at Kenyon. This is due in large part to the loyalty of our alumni. Thank you, your support allows Chi Chapter to remain an integral part of the Kenyon Experience.

*Memories, such as this photo of Peter Allen and Steve Bartlett in 1966, reinforce why we pledge Delt and why we should continue to devote time and treasure to make sure other young men at Kenyon can have that same opportunity.*

## CAMPAIGN UPDATE

### Calling Past Chapter Officers and Other Alumni Members

#### *It's Time to Get Involved in Our Campaign to Preserve Our Home at Kenyon*

*By Doc Burns '52*

Greetings from Gambier, the fall color is ablaze, and yesterday I went out to the Lodge to view our new deck. When you return to visit I am certain you will be impressed. Thanks to your loyal support we also have all new windows, including new sliding doors to the back deck. As life will have it, the new roof doesn't show up all that much, and of course, it cost the most! In the past month we have completely updated the electrical system including new wiring throughout the building and added lighting fixtures to improve safety and function.

*A view of new asphalt shingles and new stucco exterior of chimney*

In addition, we have recently improved the HVAC system with new ductwork and registers. This will help make the building much more comfortable and reduce the moisture problem in the lower level. For those of you who lived in the Lodge you will greatly appreciate this improvement. There is still much more that needs to be done, and as funds come in, we will begin on the next phase of our renovations. Tops on our list are to purchase new furniture, replace the front door and improve the flooring in the lower level.

When I look over the names on our honor roll, which I often do, I think of memories of each one of you. Then I wonder why the list is missing so many of our past officers who provided us with such fine service when they were undergraduates. It just doesn't make any sense to me.

I am happy to report that 100% of the undergraduate chapter has made a pledge to the capital campaign. Each year I ask the sophomore class to pledge and they have always responded enthusiastically. While their pledges are not payable until after they graduate, most have pledged \$1,000 (\$200 per year for five years). It is inexcusable for any alum not to match or exceed this amount! Remember, the Lodge wasn't just our residence for our college years; it is our home at Kenyon for life. So,

*New Pella windows will add to appearance of the Lodge as well as reduce heating costs.*

come on guys, please join us!

The current group of undergraduates has much talent, and they range from Summer Science Scholars, musicians, singers, actors, plus our usual batch of outstanding swimmers, and would you believe, four basketball players, to say nothing about our tennis players! As always, I enjoy my association with Chi Chapter, and it is especially nice when you return to Gambier for a visit. Please drop me an email anytime at [rburns1600@aol.com](mailto:rburns1600@aol.com).

## ALUMNI EVENT

### Great Turnout for Reunion Weekend 2008

*Classes of 1983, 1998 and 2003 Well Represented*

*By Jeff Moritz '86*

We had a good turnout at the Lodge for Reunion Weekend last May. There were a number of brothers back from the classes of 1983, 1998 and 2003. We have uploaded pictures from the event on our website at [www.chidelts.com](http://www.chidelts.com). For the 15<sup>th</sup> straight year we will once again be hosting an open house over Reunion Weekend (May 30, 2009) from 3 to 5 p.m. We would encourage everyone to

come out to the Lodge. Many of the renovations will be completed by then and it will be a perfect time to see all the improvements. In addition, it is a great way to get reacquainted with old friends and meet current the undergraduates. Friends and family are always welcome to join us. Beverages and snacks will be provided.

## Annual Fund vs. Capital Campaign

### What's the Difference?

The annual fund that occurs each year enables us to stay in communication with all of our graduates through our website, monthly e-Letters and our newsletter *The Chi Delt*, as well as to keep our email and mailing address databases up to date. Your

gift to the annual fund keeps all of us in communication with each other.

Your support of our capital campaign will provide our fraternity with the necessary funds to complete required and necessary renovations at the Lodge,

allowing Delta Tau Delta to remain competitive at Kenyon and continue to recruit the strongest new members possible

Visit [www.chidelts.com](http://www.chidelts.com) to support one (or both!) of these separate yet equally important fundraising efforts.

## ALUMNI UPDATES

### '60s

#### Robert Iredell IV '63

(2220 Woodmere Dr., Cleveland Heights, OH 44106-3604; riredelliv@yahoo.com)

After a very interesting career in advertising, I first retired in 1997 upon selling our firm, and since then have been engaged in creating new consumer products through a private equity partnership. Now mostly retired, I enjoy time in Cleveland and Mattapoisett, MA with children and grandchildren, boating, fishing, shooting, traveling and returning to Kenyon.

### '80s

#### Peter Dolan '80

(28885 Old Towne Road, Chisago City, MN 55013-9562; peter.dolan@medtronic.com)

Doc, I will never forget how you supported me when I had no money for my Delt dues!

#### Christopher Bonacci '88

(9507 Blythe Dale Ct., Vienna, VA 22182-3362; drbonacci@verizon.net) I spent 10 years after Kenyon getting medical and dental degrees from Columbia University and I am a Board Certified Oral and Maxillofacial Surgeon practicing solo in northern Virginia outside of Washington D.C. The work ranges from trauma, pathology, facial bone reconstruction and developmental and acquired deformities of the face to general anesthesia and wisdom teeth. It is a profession that suits my personality well! I've been married 15 years to a Denison girl and we have two children: Stephen, 12, and Kaitlin, 8. We travel a lot, golf and downhill ski as a family. Life has been great with no regrets but Kenyon and Delta Tau Delta will always be the four single greatest years of my life!
